

# The Selection

**Typography:** Rosalinda is a very elegant and classy font, perfectly embodying the royal and professionalism of the book. It is easy to read while still maintaining classic calligraphy.

## Color Scheme:

## Description:

The colors used are neutrals, keeping the book jacket elegant, controlled, and classy to match the atmosphere of the setting of the book. The front cover is a girl in a gown and tiara, representing the main character; America Singer. The back cover is the castle where most of the book takes place. In the book, America wears a songbird necklace, so I incorporated birds throughout the back cover and back flap. A description of the book and the author's bio are on the flaps.
